About Thiruvonam

Thiruvonam is made of 2 terms – ‘Thiru’ and ‘Onam’. ‘Tiru’ means the one which is pious; it is equal to ‘Shree’ in Sanskrit. People consider that every year on this day King Maha Bali visits his people from the nether world (Patala Loka). Additionally, there are many other beliefs respective with this festival such as the birth of Vamana Avatar of Vishnu, etc.

In Kerala, there are four days holiday for this festival, which begins from a day before Thiruvonam and ends 2 days after Thiruvonam. These 4 days are known as 1st Onam, 2nd Onam, 3rd Onam, and 4th Onam. The 2nd Onam is the main Thiruvonam day.

History of Onam

As the mythology goes, King Mahabali was very mighty. He ruled over all 3 Lokas –Deva Loka (Heaven), Bhu Loka (Earth) & Patala Loka (Nether World). Though he belongs to an evil spirit clan, yet he was very kind and his people loved him. But, Devtas were not actually happy with him, as he had defeated them to win the paradise. So, they requested Lord Vishnu to help them get their kingdom back. In order to help them, Lord Vishnu took the Vamana Avatar, where he took the form of a midget Brahmin. As Brahmins were consider like gods and it is considered favorable to give them help, King Bali asked the Vamana about his wish when Lord visited him in this Disguise. Vamana requested for just his three steps of land. As soon as King asked him to take those three steps, Vamana started getting enlarged and became huge. He placed his 1st foot on heaven, 2nd on earth, and as there was no area left to put his 3 step, King offered his head. Vamana pushed the King down to the netherworld with his third step. The way King offered everything so gently; Lord Vishnu got impressed and asked him for a boon. So, the King request if he can visit his people once a year. The boon was granted. Hence, on this day of Thiruvonam, King Mahabali visits his people every year.
